SHAKESPEARE'S TWELFTH NIGHT

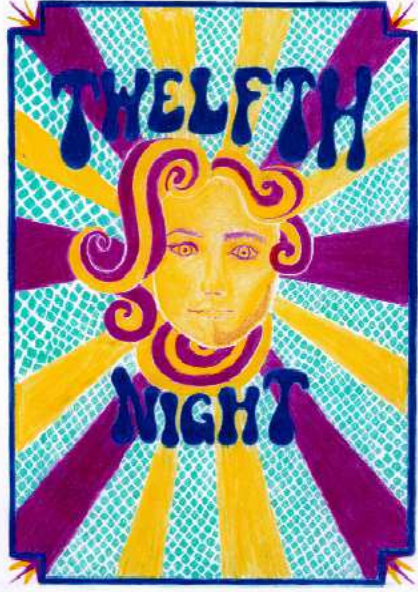

The Upper school play is only three weeks away - a 1960s version of Twelfth Night, one of Shakespeare's comic classics. "*If music be the food of love, play on*" is the opening line, and probably sums up the (late) 60's rock movement. When I hear our Upper school musicians practising 'My generation' by The Who (if you can remember who they were), I know we are in for a cross centuries drama fusion. Tickets will be on sale from the office soon; plan for July 4,5 or 6.

We say farewell to **Csaba** this week and we wish him the very, very best for his family's renewed adventure in Hungary.

Emma Cusdin will be taking on the role of Upper school drama teacher and we are welcoming **Sam Wakelin** to school to teach classics, English and social studies. Sam will be the tallest member of staff, he is completing his Masters in Classics, is the 3 times winner of New Zealand's best beard competition, is a member of the student army (post-quake) and brings a rich experience of culture, enthusiasm and youth to our school, and is of course a trained teacher! a BIG WELCOME TO YOU SAM.

Our best wishes to class 6 in their winter geology camp to Craigieburn this week – it's looking a little cold up there!

MOBILE PHONE RECYCLING

After rainfall 69% of NZ's rivers are deemed unsafe for swimming due to contamination.

With statistics like this The Mobile Phone Appeal is pleased to announce **Sustainable Coastlines** as their new charity. \$2.5 million was raised for the Starship Foundation and it is sad to see them go, however it is very exciting to have a new, award winning NZ charity on board. That means it's time again to rummage through your drawers and toy boxes and bring into school any unwanted mobile phones you may have. Phones collected help our school gain points towards rewards to be used

for our school, as well as keeping our landfills free of hazardous toxic substances.

Please drop your old phones to the collection box in the office.

Kia ora koutou,

The Lower School teachers have decided to offer two afternoons for interview times in week nine on the 26th and 27th June to accommodate more availability. The impact of this means that the Lower School will finish one day later in December. Lower School will finish at **3pm on Thursday 14th December** which is different to the advertised dates at the beginning of the year. An online booking system will soon be available for parents to book interviews with their class teacher as a reflection from the reports which will be sent out in advance of the interview week.
